Dear Tim,

On behalf of all of us at Christ Presbyterian Church, I would like to thank you for the outstanding work you recently completed on our Baldwin piano! The reviews are in, and they are overwhelmingly positive. The touch and the sound are so vastly improved that it seems as though it might be a different instrument entirely, but no – there is the same beautiful instrument that has been gracing our Chapel since 1992!

Annetta Rosser would be thrilled to know that her lasting legacy is now an instrument more perfectly suited to its time and space. I know that her daughter, Edwenna, will be grateful to know that the generous gift she gave on her mother's behalf has been used to accomplish this. Your good advice as to what needed to be done, and the completion of the work by your skilled technicians have given our piano a wonderful new lease on life.

All best wishes for the continued success of Farley's House of Pianos – Madison is the better for it!

Most sincerely yours,
