Dear Tim and Renée,

Thank you so much for donating the use of your fabulous Steinway D at Overture this summer! It was fantastic to have such a beautiful, responsive instrument at my fingertips. And it matched the Capitol Theater piano so well. (As if that were a surprise!) The two-piano concerts were great, extremely well-received, and would not have been possible without your generous help. Thank you again! And thank you for coming to so many of our concerts—it was great to see you there!

With all best wishes always,
